

ORDER PROCESS & POLICIES

Order Process: To place an order, you'll need the item number(s), unit price and quantity of each item. Orders can be placed via our website THENARCH.COM, U.S. Mail or (see our mailing address below) or phone 607-746-8416. Orders are usually shipped within 7 to 10 business days of receipt. For questions about your order, please feel free to contact us

Shipping Charges: There is **NO SHIPPING CHARGE** for orders delivered to a mailing address in the United States This applies to direct retail orders only. See international shipping policy below.

Personal Checks: Checks should be payable to "The N Scale Architect". Please allow an additional 7 to 10 business days for processing of orders paid by a personal check. A \$35.00 bank fee is charged on all checks returned for insufficient funds.

Credit Card Orders: For credit card orders placed via mail or phone, we will need your shipping and billing address, complete card number, card expiration date, and 3-digit security code from the back of the card. **Your credit card will not be charged until your order is shipped**

All prices include U.S.A. shipping. All major Credit Cards, PayPal, Money Orders & Personal Checks accepted.

International Orders: All international orders are payable in U.S. Dollars. The international shipping charge, including Canada and Mexico, is a flat rate of \$35.00. Due to a high rate of credit card fraud on international orders, shipments to some countries may be held for up to 180 days to allow additional processing.

Return & Replacement Policy: If you are not satisfied with your purchase or no longer require the item that you purchased, it can be returned for a refund or exchanged for a different item. The purchaser pays all return shipping costs. Exchanged items are usually shipped at no additional charge if the exchanged item is of equal or higher cost to the returned item. We may limit the refund amount or require additional payment for the exchanged item if the returned item is damaged, incomplete, partially assembled or a special order and if the exchanged item is of a higher cost. Initial shipping charges may also be deducted from the refund amount or added to the cost of the exchanged item. For international orders, please contact us before returning any items. If items are damaged in shipment, please retain all related packaging materials and contact us immediately. Under most circumstances, damaged items will be replaced at no charge. Missing or damaged kit pieces will also be replaced at no charge.
